

SERIES PLM3

ALUMINUM FRAMED PHANTOM LINE MARKERBOARD

Specifications

All exposed metal shall be anodized extruded aluminum 6063-T5. Aluminum framing shall be permanently attached to the Phantom Line markerboard writing panel. The lines on the board form a 2" x 2" grid, which is unseen by the audience. The PLM3 series is 2'H x 3'w through 4'H x 8'W. This board carries a 20 year guarantee.
